

Cherry Wilkinson 1947 - 2016

On Tuesday, 8th November at 5:30pm surrounded by her family, Cherry Wilkinson passed away having lost her battle against cancer.

Cherry joined the Club in 1989, and started teaching at the Club in 1990 when she went into the small pool to help the then small pool teacher Ann Fry. Eventually she progressed to teaching in the large pool as she attained both level 1 and level 2 teaching awards, and over the years she will have taught hundreds of children to swim.

In 1991 she joined the committee and got involved with the team selection committee. Then from 1998 she started to represent the Club further afield as she became our delegate for both the Friendly League and the Micro League.

Such was her commitment to the children of the Club, that in 2006 she became the Club's Welfare Officer.

She started her involvement with the North Lancs Swimming Association when she became our delegate in 2000. She was held in high esteem at the association, that they decided that she would be awarded the **George Harris Silver Salver** for dedicating her life to swimming. This will be awarded posthumously at there next executive meeting on 5th December.

She always wanted to win, but just as important was giving all the children a chance to prove themselves. She was patient with the children as she taught them to swim. Even though she struggled with arthritis, she was always there, maybe a few minutes late, but she would be there.

Cherry will be missed by all who knew her.
